

AUGUST 2020

## *trip highlight:* **THE GREAT BARRIER REEF**

Step right off the beach and snorkel or swim in the world's richest marine eco-system where you'll come face-to-face with turtles, colorful coral, and schools of reef fish. The coral gardens surrounding the island are also a breeding and feeding area for the giant kites of the reef, manta rays.

Hosted by trained guides, you will spend the day snorkeling and fish feeding, exploring the reef on a glass bottom boat ride, walking around the beautiful island, and enjoying a delicious buffet lunch.

**\*LIMITED SPOTS DUE TO AIRCRAFT CAPACITY\***

# FUN AT home

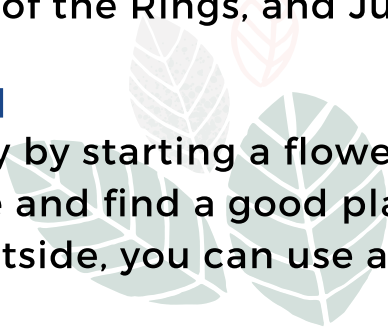

## HAVE A MOVIE MARATHON

Do you have a favorite movie series? Pop some popcorn, grab a cozy blanket, and have a movie marathon! Here are a few ideas: Star Wars, Harry Potter, Lord of the Rings, and Jurassic Park

## PLANT A GARDEN

Keep yourself busy by starting a flower or vegetable garden. Purchase some seeds online and find a good place to plant them. If you don't have any space outside, you can use an old pot and place it on your window sill!

## PLAN A GAME NIGHT

Gather all of your card and board games for some in-home fun. You can also try "minute-to-win-it" or "Jackbox" games:

## COOK AN AUSTRALIAN RECIPE

Get excited for your trip by cooking an Australian recipe! Have you ever tried an Aussie meat pie? What about sausage rolls?
